

Horticultural Consultation

The Green Man will provide professional horticultural consultation for any situation.

Whether you need to identify a tree or plant, need planting advice, or would like information on plant culture, I can assist you in your endeavors. Need advice on dealing with plant pest or disease problems? Call me. If you'd like to find an elusive plant and you've had no luck with local nurseries, give me a call or send an email. Email answers are always free, and on-site consultations start at just \$50.
