

About The Green Man

The Green Man Garden & Landscape Inc. is owned and operated by Christopher Maler.

Chris has been in the local horticultural industry for over twenty years, as a grower, design/build contractor, and landscape maintenance professional. He is a native South Floridian, and grew up right here in Broward County.

When he isn't busy landscaping or spending time with his wife and daughter, he moderates the Jungle forums at tropicsphere.com, and helps administer the Tropical Flowering Plants Group website at tropicalfloweringplants.com.
