

Patio and Garden

The Green Man Garden & Landscape is proud to partner with Outdoor Cooling Systems, Patiotech.net, and Accent Home and Garden to provide a complete line of patio and garden products for our clients.

Accent Home and Garden builds custom gazebos, tiki huts, bars, and other garden accent pieces from bamboo or hardwoods.

PatioTech.net provides a full line of outdoor furnishings for the patio and garden.

Outdoor Cooling Systems is the premiere provider of Outdoor evaporative mist cooling systems in south Florida.
